I saw you today.

I saw your impact.
I felt your impact.
And I just want to say

THANK YOU.

My life today is fuller because you were in it.

You are **beyond unique**.
There is nobody on this earth who could have affected me today in exactly the way you did.

And I know that if, for some reason, you weren't here, **something would be missing**.
From this world. From my life. From today.

You are **stronger than you know**.
You have survived everything this world has thrown at you.
It hasn't always been easy.
Maybe today is one of those days when it isn't easy.
But you're still here.
And because you are, my life is better.

You may **not** always see the impact you have.
But you don't have to see your impact for it to be real.

I saw it.
I felt it.
And, in case no one has said this lately…
You are truly magnificent.
You are loved.
You should be proud of yourself,
because we're proud of you.

I look forward to seeing your amazingness again.

Keep it. Share it. Give it to someone who needs it.

There's more
I want to tell you.
Scan when you're ready.
